***Schedule:***

- 10/8/08**      Career Exploration – find out how your interests translate into career choices!
- 11/12/08**    College Exploration – Learn how to find the right “fit” when making college choices
- 12/13/08**    College Application Workshop – Work with an expert on preparing your college application and supporting documents.
- 1/14/09**      Financing Your College Dreams – Get a head start...this is the best time for Seniors to access grants to fund college plans. Younger students can still benefit from the information and even forecast how much financial support they will be eligible to receive when they are ready to go to college.
- 2/11/09**      Scholarship Workshop – Work with an expert on preparing your scholarship applications. Learn what scholarships are available and how to make your application stand out!
- 3/11/09**      College Admission Requirements – Learn what colleges require for acceptance, and how you can prepare for standardized tests like the ACT.
- 4/8/09**        The Nitty-Gritty on College Decisions – You have been accepted to several colleges, now you must decide! This session will help you compare financial offers from various colleges and make the best decision.
- 5/13/08**      College 101 – Whether you have made college plans or not, this session will help with your transition to life after high school.
